(R)EINHEITSGEBOT # 12

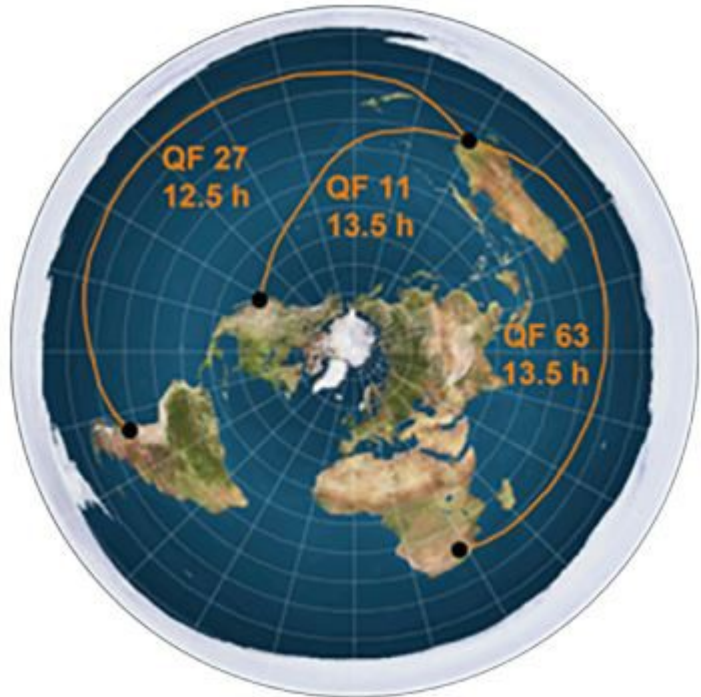

ENGLISH TRANSLATION

What students can read about our Irtha in public information portals, what they can learn from school- and other books, what is presented in the fake media and the SCIENCE - a risk for every bright mind! - does by no means correspond to the true image representing itself in the outside world. All, that we think we know, is mafia misconception, really EVERYTHING is wrong. Our earth is as round as a Frisbee disc, it forms an earth circle, that is actually true, but it is not at all a somewhat round ball, the shifted earth axis ... complete nonsense!

Our ancestors from the area of the Northern Kingdom, Platon as an example, called the ocean connecting the entire northern realm "Okeanos", in which the holy island "Atlantis" (Helgoland) was located, which already survived so numerous destruction attempts. But the most hostile trigger, final cause of our extinction, was the nuclear attack camouflaged as an the asteroid, which caused the sinking of the island "Hallig" except for a tiny part into the sea. This was an eternity ago already.

The following mass-emigration from the home of the Northern Kingdom was the premier of expelling the brightest race from their homeland to all areas of the earth. Noble tribes of the Nordic settled everywhere, the high-civilizations of the Sumerians, Egyptians and Indu-Germans, are still very much remembered as tribes of the holy ones. Since the beginning of the

angry war of annihilation of that dark against the light race, the evil bastardism has always tried to separate us from our homeland with targeted stupefaction, since this homeland can be equated as our otherwise superhuman POWER and connectedness with the energies, that are beneficial only to us! Herein lies an elementary part of this race peculiarity and actual invincibility.

On the outside of our Irtha we find the ice wall, that borders the inner continents known to us, with a thickness of almost 3,000 kilometers. Here is the "farmland" of this "terrarium of Satan" for most of the people. Behind it, there is another level with 31 continents and their larger yellow "lamp" called "Bol", while the so-called "Sol" was made available to us as a growth lamp of our fauna and flora! Whoever now assumes, determined by manipulation, a certain former force, a God or "the Gods" created this sun(s) - dream on, child, soon your mommy will come and read you more fairy tales from "1000 and one little Vatican"!

Inside our Middle Kingdom, the AR-K-T-IS (explanation according to our Arman Runes: sunrise of the most godlike me) marks the almost-center of our earth disk, the ANT-AR-K-T-IS is the surrounding area, the insurmountable wall, that limits us all according to the intention of the architect of the Matrix. One could believe in its insurmountability in view of the false knowledge, if there were not ... Those constructors of the ice wall/the matrix deliberately considered the almost insurmountable obstacle with the syllable "Ant" for "standing opposite". To mark a south pole here ... what an almost laughable explanation attempt of the scientific community! The researchers Amundsen and Scott were contractors of Zion, who had a supposed race for the discovery of that non-existent opposite pole to the North Pole. As mentioned, everything you think you know is in most cases of the shoddy literature from the enemy of life.

Just as unclear it is in regards to the 'knowledge' about you as eternal correspondence of your own BEING! Did you not learn to be a purely coincidental, evolutionary cell cluster only, transient in any case, descending from microbes, but necessarily from the sea and by means of evolution ...

Yes, this is how the Schadden wants to see you, as a tiny nothing, a weak something, which will obey all commands of his lower mercenaries of Roman war culture, but does not raise a single objection, otherwise "*Beheading-Rudi*" comes along to execute his not legitimized, not appointed so-called office. But: ARBITRARINESS, as is well known, is equated by those, who present their misconduct as law and order.

*One hundred percent remuneration means,
to be willing to put 100% into it.*

Only your misbelief injected to you by the Satanic mafia creates an environment around you and all other like-minded people, which will keep you captive in the latticework of this fortress of permanent detention. Years ago, I once proved that the company "GERMANY" could not under any circumstances deal with 300 well-organised, conscious of their true nature. How, my question to you, should they deal with 60 million of our true knowledge? Its existence would be obsolete within one second.

That successor company of the "GERMANY" administration, which on 1 May 2020 managed the continuation of its illegal rule under a new organizational name, exists only on the basis of the energy-robbery known to us and it will keep going with its raid against stupid-GERMAN, as long as there is still a belief in this state construct, which is still generally accepted as a "FEDERAL REPUBLIC. B'NAI B'RITH, the Jewish "sons of the FEDERATION", are the villains behind their daughter Kasner. Dumb-GERMAN will not be able to see through the veils. The only ray of hope in this moment:

- 1.) The new organization does not receive any outside financing from so-called lenders;
- 2.) Dumb-GERMAN is squeezed out except for tiny still possible tax increases.

Now it will show, with all the investment promises and imperative investment measures, how long the Kasner-fatling is still able to make her masters lenient, before she will be dragged relatively lifeless from some cesspool. The game, however, which was so beautifully called years ago "Plunder the Germans", came to an end as early as 2019. Even without the external influence of Trump - because according to his promise to the lion families, he takes care of the ... how to call it without putting the good man in a bad light? ... let's just say: Donald created for the Americans, who were so eager to plunder the world, a time to come, that is JUST for them. This way it does not sound reprehensible and is also in accordance with the facts.

Because of the law of CAUSE and EFFECT, everyone receives the same reward, that he or she is entitled to. Since the entry into the 1st World War, America plundered in its unbelievable wars and manipulations the whole world, predominantly the Germans, thus accumulated a miserably long list of reparation against almost all of Irtha's people. This good Donald is preparing for his people, because "*America first!*" Yes, and how "*first*" this will happen. At present, the man celebrated as freedom president is still positively spoken about and he will give his people the best, that they deserve, but this time just!

And, since we are at the point, to address the facts: More than Kasner, Dumb-German has not earned. They, the lowest of the stupidest people, created a purely energetic bond to the Jewish whore, they voted again and again for this piece of filth. It would have to be devils work, if the Dumb-German would not have deserved the bestial. Everyone always and only gets, what he really

deserves. Millions of damned people from POLICE, so-called STATE-DEPARTMENTS, COURTS, CITIES, COUNTRIES, COMMUNITIES, they all wanted to let the jewish whore of the B'NAI B'RITH rule over them voluntarily and now they have already received 15 years the correspondence of their firm desire. Someone objecting to this, would contradict cosmic laws. Objection would be equivalent to a leap from the 17th floor of a skyscraper, while not expecting a) a flight, b) wind, c) painful impact on the floor and d) injuries ... e) maybe even: death.

You, if you have crowned this disgusting mongrel creature of the house of Rothschild as your leader, the princess of hearts, which has now reached 120% of the satisfaction of the Germans, you are in the game, period! You can jump up and down as you like, you gave Judah the power over you and of course Judah will not be satisfied with your little finger, Judah will suck you dry, marl you afterwards (*laughter*) and even crack you with the roller, front to back to squeeze even the last bit of life out of your long gone body. You messed with the wrong guy!

"But I didn't choose them, I sat at home and kept out of it."

Aha, and now you want a medal of honour for this as well? To stay out of it means agreement, you fool! And, let's stay factual, you got yourself out of tax payments - the protection racket of the illegal company - , you do not have a passport/ID card, did not visit the company to transfer your rights via REGIS to them, you have no driving license, no insurance, no bank account... ? Don't say you stayed out of promoting the leftist gang, just because you did not attend the electoral bullshit. You are sitting wonderfully in the sinking boat and now ask yourself, how to get out of it!

There is always an escape route, we took it, we are not part of the greatest plundering of our people, are not jointly responsible for the destruction of our homeland, quite the opposite. What you have to do, in order to bring your account from CAUSE and EFFECT to a positive denominator, that you became aware of reading and internalizing (?) these lines. And please don't reply, you will from now on read more consciously.

"But I must live and work, otherwise..."

Then live and work, then maintain the system and go down with it! It is yours and the creation of all those, who adhere to the system. Go on or find a way to get on your own feet and stand, but do not whine. You are the smith of your own fortune and as I have recently concluded from this old saying, you can easily do much more than you know in this moment.

Don't think, that you have to go out, don't think work is elementary for you, don't think you have to do wrong to generate uncovered debt money. No, my friend, these debt instruments throw you deeper and deeper into your jail, the more you produce of it, you are sinking, if you continue, believe me! If you think I'm crazy, just want to scare you, no problem, go ahead, but you will very soon get a lot of problems, which you would now still be able to solve with your omnipotence, in the near future this train has departed. The chaff separates from the wheat on all levels. Only those who are true and "wheat" in all matters, have the opportunity to belong to the very few, who Isais mentioned in her revelation. The misguided people, about 70% of all people worldwide, go under in the hell of their own carelessness.

Only so much of me, as a small warning. Don't ask me about the How. It is your task alone to master. If you are successful, you defeat the deadly system, otherwise: It was my pleasure!

In Liebe und Verbundenheit,

:friedrich wilhelm thomas aus dem Hause Neubert
